

Dear Friends,

WELCOME HOME is a volunteer group committed to raising awareness and resources for refugees. Our goal is to help support the newest members of our community.

YOU HAVE A CHANCE TO HAVE AN IMMEDIATE IMPACT! AFGHAN FAMILIES ARE ARRIVING WITH LITTLE NOTICE AND FEW SUPPLIES.

Families are arriving in San Diego with their hopes and dreams, leaving behind everything they know, fleeing violence and chaos. San Diego is expecting to welcome over 5,000 Afghans. Many worked with American troops, hoping for a more democratic way of life in their country. It is now our turn to help! Welcome Home is hoping to make their transition a bit easier by providing whatever items are most needed. If you would like to help, please consider donating the items listed below:
